**WASHINGTON** – The Republican National Committee (RNC) today launched a new ad: “One of Us.” The ad highlights the motivation and experience of New York State Republican Leader Jim Tedisco, a candidate for the open Congressional seat in New York’s 20th district.

The ad will run on the major networks in the Albany, NY area.

**Title: “One of Us”**

The son of a foundry worker and loving mom, Jim Tedisco’s life changed forever when he lost his young brother with Down Syndrome.

So, Jim dedicated his life to serving others.

Special Ed teacher, guidance counselor, coach.

Then to public service to help our families.

Fighting for property tax relief, securing jobs, protecting our children.

Jim Tedisco for Congress. He fights for us because he's one of us.
